

Confederation of Indian Industry

CII-TRIVENI
WATER INSTITUTE

3rd

National Conference on Pulp & Paper

*Understanding the Trade offs in Water & Wastewater
Management for taking Informed decisions*

29th June 2018 | Hotel Leela Palace, New Delhi

Overview

The Indian Paper Industry has evolved to a great extent as it plays a vital role in the overall industrial growth and also provides a necessary medium to propel our knowledge based economy forward in the new millennium. However, the pulp and paper industry is also amongst the largest water users in India and there is a need for initiating several strategies towards innovative water management and enhancing their competitiveness.
